Charging cable (USB wire + mains plug)

When you receive your Verofy® Move delivery, you'll also receive a cable to enable you to charge the device.

What's Included?

As standard, you'll receive the following:

- USB-C charging cable
- Verofy® plug

How does the charger connect?

Slide the UK connector onto the power port until you here it click. Then, plug the USB end of the wire into the power port and the USB-C into the slot on your Verofy® Move (it's situated underneath the volume buttons on the left hand side).
