

# Charging cable (USB wire + mains plug)

When you receive your Verofy® Move delivery, you'll also receive a cable to enable you to charge the device.

## **What's Included?**

As standard, you'll receive the following:

- USB-C charging cable
- Power port
- UK and Europe connectors

## **How does the charger connect?**

Slide the UK connector onto the power port until you hear it click. Then, plug the USB end of the wire into the power port and the USB-C into the slot on your Verofy® Move (it's situated underneath the volume buttons on the left hand side).
