Dashboard Transactions Settlements Pay Messages

You'll see the total fees, followed by a breakdown that's separated into transaction fees, authorisation fees, refund fees and faster payment fees.

If you want a more detailed breakdown of the transaction fee charges, you can click the **Full breakdown** option to see this split into Card types. Here's an example of how this might look:

Click the back button in the top left of the App screen to return to the settlement detail page.
