

View your documents

If you need to view your documents, you can access them via the document vault in the Verofy® App.

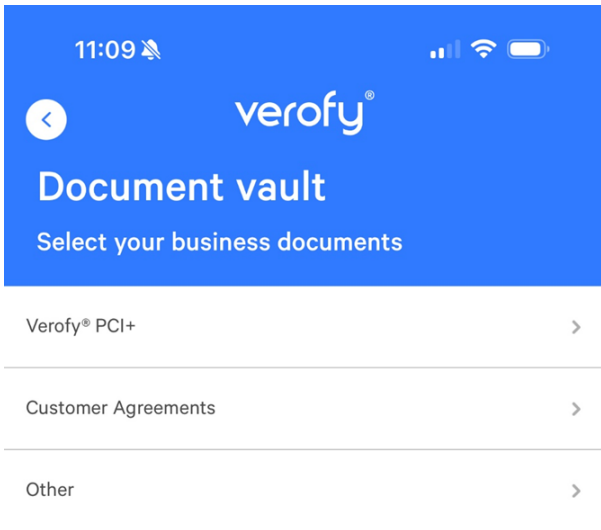

1. Start by logging into the Verofy® App, then pressing the ... button at the top right of the screen.

2. From here, select the **Document vault** option.

3. Here you can access your completed PCI+ documents, your agreements and any other documents that have been stored to your customer record.

If you have a question about a document in the document vault, [get in touch](#) and we'll be happy to help.

Revision #5
