Check your card rates

If you need to check what card rates your business is paying, you can do this by locating your Payment Processing Agreement in the Verofy® Cloud Document Vault.

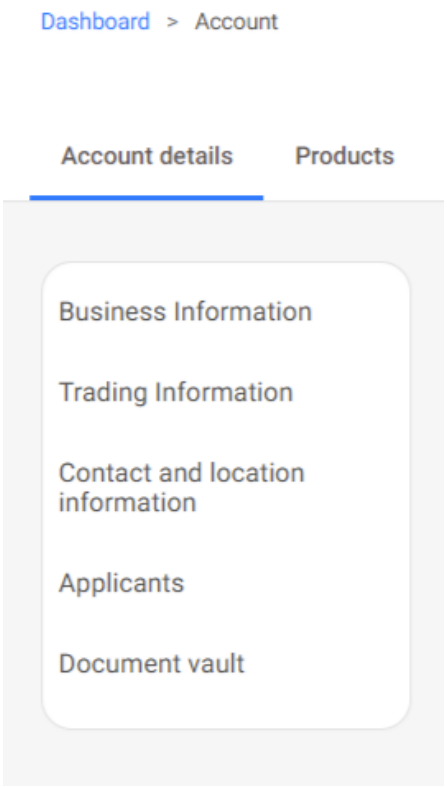

Head to the initial of your name at the top right of your screen in Verofy® Cloud, it's normally in a circle.

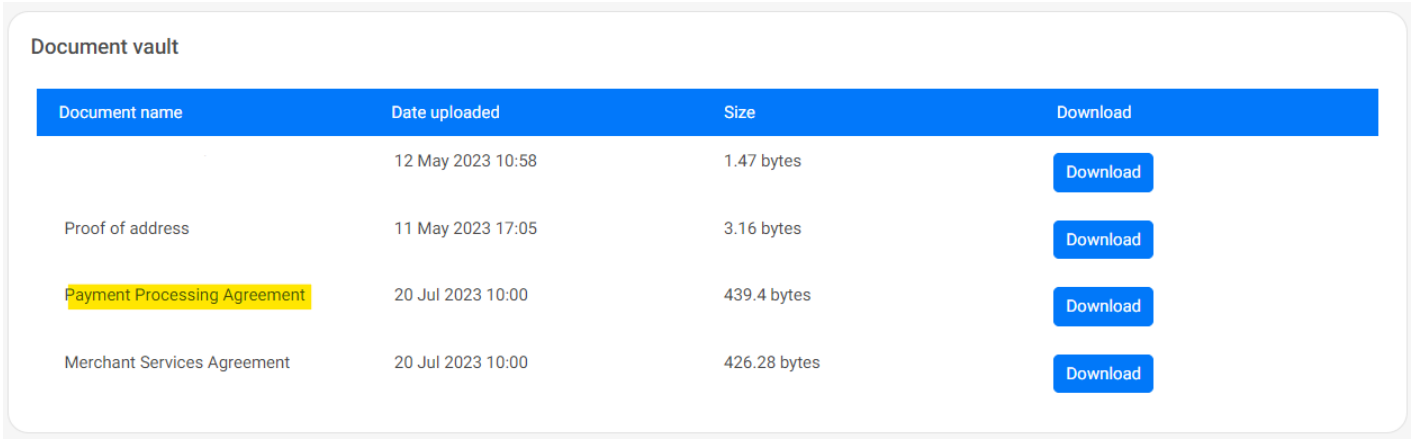

Click the **Account** option, you'll be directed to the Account area of Verofy® Cloud.

From the list on the left, select **Document vault**, or scroll to the bottom of the page to find the Document vault section.

Within the document vault, download the Payment Processing Agreement.

You'll find the rates from page 3 onwards, depending on how many products you have. Each page will look similar to the below:
