

Download a PDF or excel copy of the settlement detail

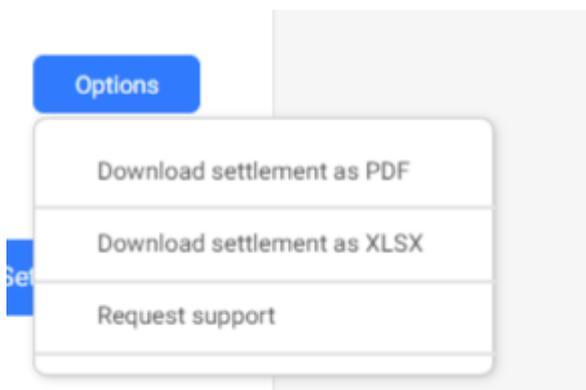

Monthly summary statements also available! Click [here](#) to find out where to find them.

If you want to download the settlement breakdown for each individual settlement from Verofy® Cloud, you can do so by following the steps below.

From the **Options** button in the **settlement detail record**, you can select to download settlement as PDF or as an excel (XLSX) file.

Download settlement as PDF

From the **Options** button, select **Download settlement as PDF**.

The file will then download. Here's an example of what it will look like:
