

Request support for a settlement

If you need to ask us a question about a specific settlement, you can easily do this in Verofy® Cloud.

Find the settlement you need to ask us about, then click the three blue dots to load the settlement detail page.

| Transactions date | Settled amount | Settlement reference | Payment date |
|---------------------|----------------|---|---|
| 14 May 2024 - 09:30 | £1,231.18 |  | 14 May 2024 10:32 Settled  |

From here, select the **Request support** option.

This will open the **Message centre**. From here, you can write a message to us about a settlement or any other issue. If you raise a request for a specific transaction or settlement, the reference will automatically be added to help us find the record you're needing support with.
