

Request support for a transaction

If you need to ask us a question about a specific transaction, you can easily do this in Verofy® Cloud.

Find the transaction you need to ask us about, then click the three blue dots to load the transaction detail page.

Date	Reference	Type	Method	Status	Transaction	
8 May 2024 - 10:21		 Sale	Verofy® Move	Approved	£0.25	Awaiting Settlement 

From here, select the **Request support** option.

This will open the **Message centre**. From here, you can write a message to us about a transaction or any other issue. If you raise a request for a specific transaction or settlement, the reference will automatically be added to help us find the record you're needing support with.
