View your business information

To view your business information in Verofy® Cloud, **log in** and head to the first initial of your name in a circle at the top right of the screen - this is the user profile section.

From here, select the **Account** option. In this section, you can see all the information relating to your business, such as business information, trading information, your contact and location information, and your document vault. You can navigate the page to view a particular section by using the list on the left hand side.
