Viewing login history in Verofy® Cloud

To view your login history in Verofy® Cloud, **log in** and head to the Settings cog at the top right of the screen.

You'll be directed to the Users tab. From here, select the **Login history** tab. You'll be able to see all the user logins from the last 14 days. If there is a login you do not recognise, please **contact us** to discuss this further.
