| 1 st January: | Closed |
| 2 nd January: | 09:00AM - 17:30PM |

Settlements:

Over the festive period, there are a number of UK and European bank holidays, these define the settlement processing dates. We've sent communication to all our customers to let them know when they can expect settlements! If you have a query about when to expect settlements, get in touch with us and we'll be happy to help.
